Don't Forget

Us just because we have been a little quiet. We are here with the largest collection of everything in Men's, Boys and Childrens wear you will find between Columbus and the Ohio River and we are going to sell them at such low prices that we will make exception to no one in the country. We have choice first class goods, the best that skill and science can produce and remember there is a grace and style about our clothing that you can get no where else for the money at which we sell them. We will fit you perfectly whether it be in ready made or custom made clothing. Our force of skilled fitters and tailors are acknowledged to be the best. WE SPARE NO PAINS to make the clothes fit, and we charge no more than you pay for goods that can not be compared with ours.

Low Prices and Quick Sales, together with absolute knowledge of the business has placed us at the front of the rank and enabled us to buy in large quantities direct from the manufacturer our immense fall stock was bought in May and June at the lowest ebb of the decline and the present raise in prices can not effect us. We will divide profits with you by selling at the old prices. This we will prove if you will come and look at our immense stock.

The chairman of the Republican committee went to Columbus last Friday. Going up he rode in the Smoker with the common people. Coming home he rode in a palace car with Gen. Grosvenor. The matter of the personal movements of any one is not a matter of concern, but the difference in the way of going to and coming from Hanna's Headquarters is significant.

The Nelsonville Register notes the fact that the Xenia Cordage company has advanced the price of wages 10 per cent, and claims this is evidence of prosperity. There may be something in this since the rope industry has encouragement and patronage by mobs in the Republican strongholds of Ohio and Indiana.

The Supreme Court has denied our colored brethren who are making a strike for freedom the right to use the picture of Lincoln as an emblem on their ticket. The Republican has the Coon. Why not concede to the Darky the Possum, with Sweet Potato trimming.

The way to win this election is to get out the Democratic vote.
